

FLUID ON TOUR 2009

Viva Espania

16 - 18. september 2009

I år går FLUID ON TOUR til Spanien. Med start i Barcelona besøger vi en lang række meget forskellige virksomheder og uddannelsesinstitutioner og hører om deres tilgang til læring. Der vil både være videregående uddannelsesinstitutioner, organisationer og virksomheder. Der vil være god mulighed for at danne netværk med besøgsstederne, som glæder sig til at få besøg af os.

Der kommer nok et besøgssted eller to mere på programmet, men sæt kryds i kalenderen og meld dig til nu!

Der er begrænset antal pladser, så tilmelding skal ske hurtigt. Vi inviterer som sidste år FLUIDs søsterorganisationer, og regner igen i år med stor tilslutning. Programmet nedenfor er på engelsk. Det vil oplæggene undervejs også være.

Hvis man ønsker at blive flere nætter i eller gerne vil dele værelse, så giv besked om det ved tilmelding. Tilmelding skal ske på www.fluid.dk

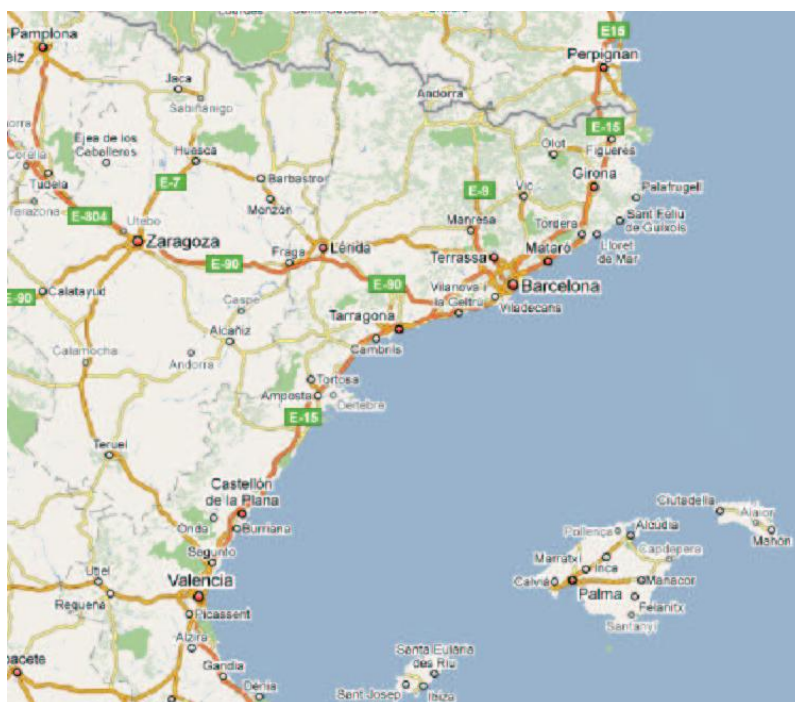

Bemærk at touren starter kl. 9.30 inde i Barcelona. Det er fordi man ikke med rimelighed kan komme til Barcelona om morgenen den 16. september. Hotellet vi skal være på natten mellem den 16. og 17. september hedder Hotel Ronda og det kan bookes på bookit.com eller direkte på <http://www.hotelrondabarcelona.com/en/bookings.html>

Bemærk endvidere at touren slutter i Valencia – ikke i Barcelona.

Prisen for FLUID ON TOUR er kr. 6.300 kr inkl. moms (5.040 kr. ex.moms)

Prisen dækker:

- * Overnatning to nætter i enkeltværelse på hoteller på ruten
- * Måltiderne fra onsdag frokost til og med fredag frokost
- * transport i bus fra hotel Ronda i Barcelona den 16. september til lufthavnen i Valencia den 18. september
- * Materialer

Preliminary Programme

16. September

9.30 Departure from Hotel Ronda, c/ Carrer Sant Erasme, 19 Barcelona.

(can be booked through tobook.com if you want to stay there from the 15 – 16. September). The hotel is situated 5 minutes from the Rambla and the Gothic quarter.

10.00 – 12.00 A surprise visit in central Barcelona

12.00 - 13.00 Lunch

13.30 – 15.00 Universitat Oberta de Catalunya

(<http://www.uoc.edu/portal/english/>)

In the Universtitat Oberta de Catalunya we first get an introduction to the University, and then a presentation of the eJump project. Afterwards we visit the eLearn Center - focused on research, innovation and teaching of e-learning. The visit also introduces the Learning Technologies Office which among other things is responsible for the virtual campus. Finally there will be time for discussion with the presenters.

15.30 – 17.00 TV3 Catalunya www.tv3.dk

TV3 Catalunya has many initiatives to transform the traditional TV to be ready for mobile and internet users. On the visit TV3 Catalunya will tell about the initiatives and their plans for the future.

We spend the night in Hotel Ronda (www.hotelrondabarcelona.com) 5 minutes from the Rambla and from the beautiful harbour front.

20.30 Group dinner in the Gothic Quarter.

17. September

9.00 – 11.00 Institute for Advanced Architecture (IaaC). www.iaac.net

The **Institute for Advanced Architecture of Catalonia** is a latest-generation education and research centre dedicated to the development of an architecture capable of meeting the worldwide challenges in the construction of habitability in the early 21st century. We will get a short tour at the Institute, see the laboratory and have a presentation of the projects developed in the Institute.

Lunch in the bus towards Tarragona

13.00 – 15.00 Tècnic d'enllaç – Promotora de la Propietat Industrial i Intellectual i Emprenedoria Fundació URV Centre de Transferència de Tecnologia i Innovació

The presenters tell us about their organization and business.

15.00 Departure towards Castillon de la Plana

16.00 – 17.00 Group discussion on the bus with discussion of similarities and differences of the attitudes, concepts, experiences, contexts etc. in relation to a transfer of experience.

We spend the night in Hotel Intur Castellon and have dinner in a nearby restaurant.

18. September

7.30 Driving towards Valencia

9.00 – 10.30 Universidad Politécnica de Valencia

Jaime Busquets, Jefe de Servicio de Sistemas y Redes de Comunicación tells us about the UPV experience in E learning production (polimedia) and delivery and sharing our LLL model. They elaborate on their experience of promoting the creation of a repository of reusable digital learning objects within the UPV.

11.00 – 12.30 Universidad Politécnica de Valencia

Pedro Fuentes presents The European Project Semester. This semester aims at getting students to work together, providing them with the tools and competence to develop and implement their ideas.

12.30 – 13.30 Lunch

14.00 – 15.30 To be completed

Driving to Valencia Airport for home flight – flight via Madrid or Barcelona.

About the localities:

Barcelona is the capital and most populous city of the Autonomous Community of Catalonia and the second largest city in Spain, with a population of 1,615,908 in 2008. It is the eleventh-most populous municipality in the European Union and sixth-most populous urban area in the European Union after Paris, London, Ruhr Area, Madrid and Milan with the population 4,185,000.[1] 4,9 million[2][3][4] people live in Barcelona metropolitan area

Castellón de la Plana is the capital city of the province of Castellón, in the Valencian Community.

Valencia is the capital of the autonomous community of Valencia and its province. It is the third largest city in Spain and the 21st largest in the European Union. It forms part of an industrial area on the Costa del Azahar
